2.2 - By adoption of this policy, the Board of School Trustees gives consent for the collection of records and information described in Subsections (a), (d), and (e) of Section 2.1 of this policy.

2.3 - By adoption of this policy, the Board of School Trustees gives consent for the collection of records and information described in Subsections (b), (c), and (f) of Section 2.1 of this policy, unless the collection of such records and information is accomplished by use of a survey, analysis, or evaluation that requires or encourages the student to reveal:

When a survey, analysis, or evaluation is used to obtain such information, the School shall obtain prior informed consent in writing and in a form consistent with Section 2.6 of this policy. For purposes of this policy, the phrase "survey, analysis, or evaluation" shall be limited to a planned method of inquiry or information collection used on a group or individual basis. The phrase does not apply to the ordinary give-and take exchange that occurs in the course of the counselor-student, psychologist-student, teacher-student, or nurse-student relationship when the student initiates the contact or otherwise participates in it voluntarily. Consent otherwise required by this Section is not required to investigate or substantiate a good faith suspicion of child abuse or neglect when the person from whom consent would be required is suspected of the abuse or neglect.

2.4 - To collect records and information described in Subsection (g) of Section 2.1 of this policy, the School shall obtain prior informed consent in writing and in a form consistent with Section 2.6 of this policy.

2.5 - To collect records and information described in Subsections (h) and (i) of Section 2.1 of this policy, other than reports and other documents provided by parents or other agencies, the School shall obtain prior informed consent in writing and in a form required by applicable state or federal law or, in the absence of a specific applicable law, in a form consistent with Section 2.6 of this policy. For purposes of collecting information in the form of an instructional support or child study team action plan, an IEP, or a service agreement or accommodation plan, a written invitation to the parents and, when required by law, the student to participate in the development of such document shall constitute an adequate means of obtaining consent to develop the document, even if the parents or student do not participate in the meeting at which the content of the document is discussed. The description in an action plan, IEP, or service agreement or accommodation plan, of a means of data collection or ongoing progress monitoring or assessment shall suffice to allow such activities without need for additional written consent.

2.6 - When state or federal law does not specifically prescribe the form for obtaining prior written consent as required by this policy, such consent shall be obtained by mailing to the residence of record, as established in accordance with Section 4 of this policy, or by hand delivery to the parent or emancipated minor a written consent form that complies with the following requirements and is received within a reasonable time prior to the information collection activity for which consent is sought:

- (a) The form shall use language that a layperson can readily understand and shall be written in the native language of the parent or emancipated minor from whom consent is sought;
- (b) The form shall contain an explanation of the type of information sought, the purpose for which the information is sought, and the specific types of testing, assessment, or data collection to be used to obtain the information;
- (c) The form shall make clear to the parent or emancipated minor that consent is required to proceed with the information collection activity or activities proposed; shall contain an assurance that such activity or activities will not proceed without consent; shall specify the duration of the consent or shall clearly provide that consent shall be considered effective until revoked in writing by the person giving consent; and shall contain a clear explanation of the time and place for responding to the form;
- (d) The form shall contain the name and telephone number of a contact person whom the parents or emancipated minor can contact to obtain additional information or seek clarification concerning the proposed activity; and
- (e) The form shall provide a space for the parent or emancipated minor to elect whether to grant or withhold consent by marking one of two clearly-worded options and by signing their name.

2.7 - When a student who has attended another public or private school registers within the School, the School shall immediately:

- (a) request a certified copy of the student's disciplinary record and a copy of the student's health record from the public or private school the student last attended;
- (b) request all other current records, including special education records, necessary to ensure that the student is placed appropriate classes at the

appropriate grade level and that the School is able to meet all obligations to the student under State and federal law.

MAINTENANCE—TIME

2.8 - All education records described in Section 2.1 of this policy shall be maintained in accordance with the School's Record Retention and Disposition Schedule if identified therein. If not identified, the records shall be maintained as long as the information contained therein remains relevant to the education of the particular student or to the design and provision of educational programs in general or as long as such information remains essential to the protection of the legal interests of the School. The School alone shall determine whether education records remain relevant to education or essential to the protection of legal interests.

MAINTENANCE—LOCATION

2.9 - Education records that might be necessary to the provision of education, education-related services, or extracurricular activities or experiences to a student during any given school year shall be maintained during that school year in a secure file located in the building. Education records that are essential to the day-to-day provision of education, education-related services, or extracurricular activities or experiences may be maintained in a secure file in the personal possession, offices, or classrooms of school officials with a legitimate educational interest therein.

2.10 - The discipline record of a student shall be maintained in a secure file in the building. Information furnished by the Office of Juvenile Probation in accordance with Section 6341(b.1) of the Juvenile Act, 42 P.S. § 6341(b.1), shall be maintained in a secure file separately from other records concerning the student.

2.11 - The health record of a student shall be maintained in a secure file in the nurse's office or health suite in the building to which that student is currently assigned or in the personal possession or office of the nurse assigned to that building.

2.12 - Copies of a student's current IEP, most recent multi-disciplinary team evaluation report, current service agreement or accommodation plan, and instructional support or child study team data and action plan shall be maintained:

- (a) in a secure file in the building to which the student is currently assigned; and
- (b) in a secure file in the School office of special education, together with other special education records that remain relevant to the education of the particular child or the design and provision of educational programs in general or essential to the protection of the legal interests of the School.

2.13 - In addition to or in place of any of the locations identified in subsections 2.9 through 2.12, records may be maintained in a secure electronic storage system or site, whether located locally or remotely, specifically designated by the CEO or his or her designee as a "student records maintenance site." The School electronic mail server or servers, or directory or directories, and the files on local or remote disk drives, computers, servers, portable media, or mobile devices shall not for any purpose constitute a "student records maintenance site" unless explicitly so designated by the CEO or his or her designee in writing, and any personally identifiable information stored thereon shall either be deleted or moved to a "student records maintenance site" at least once annually.

MAINTENANCE—TRANSFER AND CONVERSION

2.14 - When a student assignment changes from one building to another within the School the education records described in Sections 2.9, 2.10, 2.11, and 2.12 of this policy, including the separately-maintained information from the Office of Juvenile Probation, shall be transferred to the new building in sufficient time to enable school officials with a legitimate educational interest to review such records, if necessary, prior to the arrival of the student in the new building or as soon as possible thereafter.

2.15 - Nothing in this policy shall preclude the transfer or conversion of education records or information from one form or storage medium to another, as long as such transfer or conversion:

- (a) allows for similar accessibility of information to parents, eligible students, and school officials with a legitimate educational interest;
- (b) provides at least the level of security that could be obtained with physically locked conventional storage and, in the case of computer storage, conforms to the current standards established in the computer industry;
- (c) clearly reproduces educationally or legally necessary graphic information, handwriting, and signatures; and
- (d) allows for the use of an access and disclosure log in accordance with Section 2.16 of this policy.

2.16 - Every file from which access might be had by, or disclosure might be made to, persons or agencies other than the parents or the eligible student, shall have as part thereof an access and disclosure log that shall be maintained for as long as the records in that file are maintained and that shall consist of the following:

- (a) The identity of such person or agency to which access is granted to or disclosure made from the file;
- (b) The purpose for which access was granted or disclosure made;
- (c) The date of access or disclosure;
- (d) The name or initials of the person granting access or making the disclosure;
- (e) In the case of disclosures to persons who will make further disclosures or allow further access on behalf of the School, the identity of the person or agency to whom or to which, and the specific purpose for which, such further disclosure or access will be made or allowed; and
- (f) Any record of further disclosures made by State or federal agencies that are permitted to do so under law.

DESTRUCTION

2.17 - The School may destroy education records identified in the School's Record Retention and Disposition Schedule once the applicable time period for maintenance of such records has elapsed.

2.18 - The School may destroy all other education records once it determines at its sole discretion that such records are no longer relevant to the education of the particular student or to the design and provision of educational programs in general or that such records are not essential to the protection of the legal interests of the School.

2.19 - When the time periods described in the School's Record Retention and Disposition Schedule have elapsed for any record or any portion of an education record of a student with disabilities, the School shall comply with the Record Retention and Disposition Schedule and destroy the record accordingly. Education Records are no longer deemed relevant to a student's education once the applicable retention period

has expired. Parents and guardians of students with disabilities shall be provided with a copy of this policy to ensure notice is provided regarding the destruction of education records.

2.20 - A record is “destroyed” for purposes of this policy when, at a minimum, all personally identifiable information is removed from it or is otherwise obscured or obliterated. Nothing in this policy shall require the destruction of an education record except under the conditions described in Sections 2.17 and 2.18 of this policy.

2.21 - The School shall not destroy any record that is the present subject of a request for access from a parent or eligible student.

24 P.S. §§ 13- 1305-A, 13-1306-A; 13-1307-A 20 U.S.C. § 1232h, as amended by the No Child Left Behind Act, P.L. 107-110, § 1061, 115 Stat. 1426 (Jan. 8, 2002)

3 AMENDMENT OF RECORDS AND DUE PROCESS

3.1 - A parent or eligible student may request in writing that the School amend any portion of an education record that he or she believes is inaccurate, misleading, or in violation of the student’s right to privacy. If a parent or eligible student makes such a request verbally, the person to whom such request is made shall inform the parent of the obligation to make such request in writing.

3.2 - Within thirty school days of the receipt of the written request to amend the education record, the administrator who is primarily responsible for maintenance of the challenged record shall notify the parent or eligible student in writing of whether the School will amend the record. If the School determines that it will grant the request to amend, the notice to the parent or eligible student shall either describe the amendment, which can include the expungement or deletion of records or information contained therein, or enclose a copy of the amended record. If the School determines that it will not amend the record, the notice shall so inform the parent or eligible student and shall contain a statement explaining that the parent or eligible student has the right to request in writing a hearing before a disinterested School official to challenge the determination not to amend.

3.3 - Within ten school days of receipt of a request for a hearing to challenge a determination not to amend an education record, the School shall notify the parents or eligible student of the date, time, and location of the hearing. The notice shall be mailed certified, return receipt requested, or by similarly secure and verifiable means, in such time that the parent or eligible student receives it at least five school days before the hearing. The hearing shall occur within thirty days of receipt of the request for the hearing from the parent or eligible student

3.4 - The hearing shall be held before the CEO or his or her designee or, if the CEO or the designee has a direct interest in the outcome of the hearing, before the principal of the building to which the student is currently assigned or his or her designee.

3.5 The hearing shall be informal, unrecorded, and not subject to formal rules of evidence or procedure other than those required to maintain order. The parent or eligible student shall have a full and fair opportunity to present evidence in support of his or her position and may be represented at his or her expense by an adviser, including an attorney.

3.6 Within thirty days of the completion of the hearing, the CEO shall issue to the parent or eligible student a written decision concerning the amendment of the record that shall either:

- (a) describe the amendment, which can include the expungement or deletion of records or information contained therein, or

- (b) explain the reasons for denying the request to amend and inform the parent or eligible student of the right to place a statement in the education record of the student commenting on the contested information in the record or explaining why he or she disagrees with the decision not to amend, or both. The written decision shall be based solely on the evidence presented at the hearing and shall summarize the evidence thus presented and the reasons for the decision to amend or refuse amendment.

3.7 - If the parent or eligible student chooses to submit a statement in the education record of the student commenting on the contested information in the record or explaining why he or she disagrees with the decision not to amend, the School shall:

- (a) maintain such statement as part of the record for as long as the School maintains the contested record or information; and
- (b) disclose the statement whenever it discloses that portion of the record to which the statement pertains.

4 ACCESS AND DISCLOSURE

ACCESS

4.1- Education records subject to this Policy, other than those records or portions of records that contain “directory information,” are not considered “public records” subject to access or disclosure under the Pennsylvania Right to Know Law, 65 Pa. C.S. §§ 67.101-67.3104, or any similar law affecting public records. The School shall allow the parents or eligible student to inspect and review the education record of the student within forty-five calendar days of receipt of a verbal or written request to do so. School staff shall make every reasonable effort to ensure that requested records are provided to the parents at the earliest possible date.

4.2 - The School shall respond to all reasonable requests from the parents or eligible student for an explanation or interpretation of information contained in the education record.

4.3 - If circumstances effectively preclude the parents or eligible student from inspecting or reviewing the education record, or any portion thereof, the School shall provide the parents or the eligible student with a copy of the record subject to the request. When copies are not required to ensure that the parents or the eligible student has the opportunity to inspect and review the education record, the School may charge a fee of twenty-five cents per page to copy requested portions of the education record, unless the parents or the eligible student can establish that they are financially unable to pay the amount thus charged.

4.4 - When the School receives a request to inspect and review the education record of a student with disabilities in anticipation of a meeting of the IEP, service agreement, or multi-disciplinary team, or in anticipation of a due process hearing, the School shall respond to such request within a reasonable time prior to the meeting or hearing, the time allowed by Section 4.1 of this policy notwithstanding.

4.5 - When parents or an eligible student seek to inspect and review a record that contains personally identifiable information concerning more than one student, the School shall provide access only to that portion of the record that pertains to the student in question.

4.6 - School officials with a legitimate educational interest may at any time inspect and review, and obtain copies of, the education record and personally identifiable information in which they have such interest.

DISCLOSURE

4.7 - Any disclosure of personally identifiable information concerning a student to any person other than the parent, the eligible student, or school officials with a legitimate educational interest, shall require the prior written consent of the parent or the eligible student. Any document providing such consent shall:

- (a) identify the particular portions of the education record or the particular information or types of information concerning the student that shall be disclosed;
- (b) identify the person or agency to whom or to which disclosure will be made; and
- (c) contain the signature of at least one parent or the eligible student, and the date of such signature.

4.8 - Prior written consent from the parent or the eligible student is not required when the disclosure of education records or information is to one of the following persons or agencies under the following circumstances:

- (a) To an educational agency or institution at which the student seeks to enroll, intends to enroll, or is enrolled, or from which the student receives services, when that agency or institution requests such records, as long as—
 - i. the parent or eligible student is provided on request with a copy of the records thus disclosed; and
 - ii. the parent or eligible student is afforded on request a hearing as described in Section 3 of this policy; and
 - iii. the disclosure is for purposes related to the student's enrollment or transfer.
- (b) To appropriate parties in connection with an articulable and significant health or safety emergency, when such disclosure is necessary to protect the health or safety of the student or others, provided, however, that for each such disclosure, the School shall maintain a record indicating—
 - i. The articulable and significant threat that justified such disclosure; and
 - ii. The parties to whom the School disclosed such information.
- (c) To state and federal educational and other agencies for purposes of investigation and auditing, when those agencies are bound by the provisions of the Family Educational Rights and Privacy Act, 20 U.S.C. § 1232g;
- (d) To persons seeking directory information, when—
 - i. parents and eligible students have received notice in the form of the annual publication of this policy in a newspaper of general distribution or a school publication of the policy of the School to disclose directory information without parental consent; and
 - ii. the parent or the eligible student objecting to the release of such information without consent has not notified the School in writing on or before the first day of the school term that they object to the disclosure of some or all of the information designated in Section 1.1 of this policy as "directory information".
- (e) To the student who is not an eligible student;
- (f) To the parents of an eligible student who remains a "dependent student" as defined in the Internal Revenue Code;
- (g) To accrediting organizations to carry out their accrediting functions;
- (h) To comply with the terms of a judicial order or lawfully-issued subpoena, when the School has made reasonable effort to notify the parent or eligible student of the order or subpoena in advance of compliance, unless the terms of a judicial order bar such notification;
 - i. To a court or administrative hearing officer in the context of litigation between the School and the parents or the eligible student, when the

- information disclosed is relevant to the action or proceeding and when the School has made reasonable effort to notify the parent or eligible student of the intent to disclose such information;
- ii. To armed forces recruiters seeking such information, a list of the names, addresses, and, if available, telephone numbers of all students expected to graduate high school at the end of the school term during which, or in anticipation of which, such request is made, provided, however, that such disclosure shall be subject to the limitations established by law and this policy upon the disclosure of directory information;
- (i) To state or local Juvenile justice authorities when such disclosure is in accordance with an Act of the Pennsylvania General Assembly and enables the juvenile justice system to serve effectively and prior to adjudication of the student to whom the records pertain, provided, however, that any such authority must certify in writing to the School that such records will not be re-disclosed to any other party unless permitted by state law or unless written parent or eligible child consent is obtained;
 - (j) To organizations conducting studies for, or on behalf of, the School to develop, validate, or administer predictive tests; administer student aid programs; or improve instruction, when—
 - i. The organization conducting the study does not permit access to personally identifiable information to any party other than representatives of the organization who have a legitimate educational interest in that information;
 - ii. The information is destroyed when no longer needed for the purposes for which the study was conducted; and
 - iii. The organization enters into a binding agreement with the School under which the organization is obligated to adhere to the requirements of this policy; that defines the purposes, scope, and duration of the study and the information to be disclosed to the organization; and that limits the use of the disclosed information to the purposes expressly identified in the agreement.
 - iv. Under such additional circumstances and to such additional persons and agencies as are permitted by the Family Educational Rights and Privacy Act, 20 U.S.C. § 1232g, and its implementing regulation.

5 MISCELLANEOUS PROVISIONS

5.1 - The policy of the School is to comply in full with the requirement of state and federal law governing the maintenance of records and other personally identifiable information and the privacy rights of students and their families. NOTICE OF IMPORTANT RIGHTS

Concerning the Maintenance, Access to, and Amendment and Disclosure of Education Records by Renaissance Academy Charter School

Printed below is the full text of the Education Records Policy of Renaissance Academy Charter School. This policy contains information of importance to students attending public schools and public school sponsored programs. Several provisions of this policy warrant careful attention:

Designation of certain records containing personally identifiable information as “directory information.” In Section 1.1 of this policy, the School designates certain kinds of

information as “directory information.” The School will provide this information to any interested person, including armed forces recruiters who request it, without seeking consent from the parents of the student or the student. If you do not want the School to disclose such information, you must so notify the School in writing on or before the first day of the school term. Your written notice must identify the specific types of directory information that you do not want the School to disclose without consent. If you fail to notify us in writing by the first day of the school term, we may release directory information upon request and without consent.

Disclosure of records containing personally identifiable information to other schools and institutions. Section 4.8(a) of this policy allows the School to disclose personally identifiable information concerning a student to an educational agency or institution at which the student seeks to enroll, intends to enroll, or is enrolled, or from which the student receives services, when that agency or institution requests such records, as long as the disclosure is for purposes related to the student’s enrollment or transfer.

Access to records by school officials with a “legitimate educational interest.” Section 4.6 of this policy allows school officials with a legitimate educational interest to have access to personally identifiable information without parent or student consent. In Section 1.11 of this policy, the School designates those persons who have a “legitimate educational interest” that would allow such access to education records.

Amendment of education records. Section 3 of this policy describes how a parent or a student who has attained the age of 18 can request that records be amended. This Section also describes in detail the right of the parent or eligible student to request a hearing to challenge a decision by the School not to amend records that the parent or student believes are inaccurate, misleading, or in violation of the student’s right to privacy.
