SUMMER READING LIST – GOING INTO KINDERGARTEN

We do not require incoming kindergarten students to participate in summer reading; however, we encourage students to read books as often as possible throughout the summer months. You could also have your child read books on www.starfall.com or play games on www.abcya.com.

Thank you for your continued support of your child’s academics and success at school. If you have any questions regarding the supply or summer reading lists, please contact one of the kindergarten teachers below.
